### How do I use my CISI insurance overseas?

**In the case of a MINOR injury or illness** - Be prepared to pay for doctor visits for minor illnesses such as a sore throat or a sinus infection. Present your card to your medical provider at the time of service. If the overseas doctor is willing to bill us directly, we are willing and able to pay them directly for covered medical expenses. Foreign providers can contact your assistance team (AXA Assistance) toll-free to verify eligibility and/or benefits 24/7/365. If they prefer to have you pay for any medical services, medicines, or equipment out-of-pocket at the time of your visit, hold onto all documents, bills and receipts, and submit them along with a claim form to CISI for reimbursement.

**In the case of a SERIOUS injury or illness** - For all emergencies, seek help without delay at the nearest facility and then, after admittance, open up a case with AXA (our 24/7 assistance provider). Our goal is to have the hospital or facility bill us directly. *If personal payment has already been processed, we can expedite reimbursement.* CISI has the ability to pay by check or wire transfer to foreign hospitals when necessary/requested. AXA is also able to guarantee/make payments when necessary (CISI then reimburses AXA).
